

## RUSH TUTORIAL- How to Connect and Push video into ScriptReel

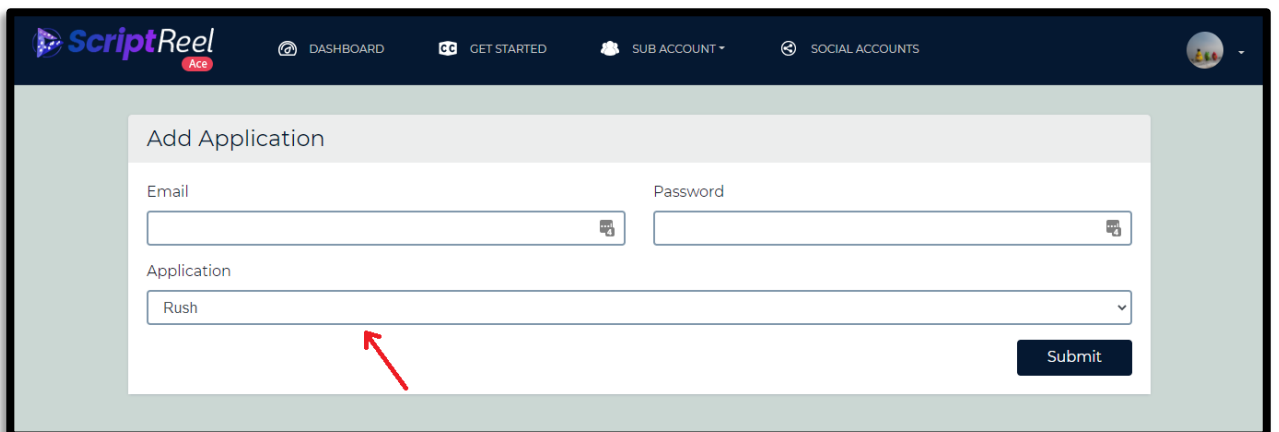

**Note:** Only applicable if you have a ScriptReel account.

**Follow these simple steps below:**

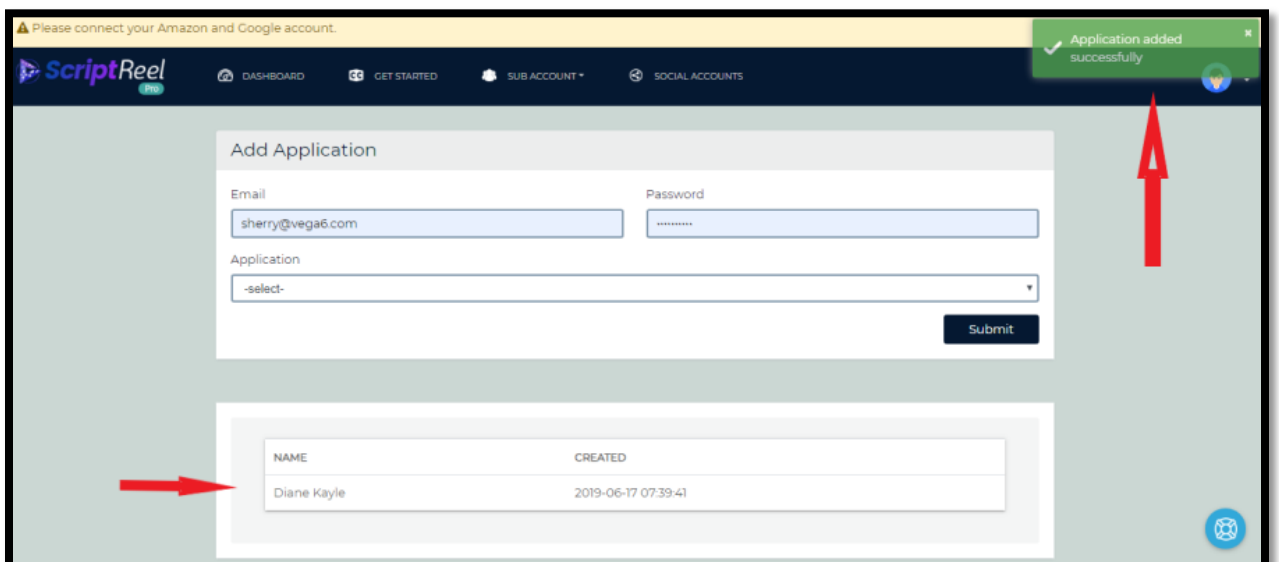

1. Log in to your ScriptReel account and on the dashboard, click on your Profile dropdown then hit the App Integration option.

2. Enter your Rush log in credentials then on the Application dropdown, select Rush.

3. Once done, you will receive a pop-up that you have successfully added the application and you will see your Rush account name on the box below.

## How to Push video to ScriptReel

1. On the Rush dashboard, scroll down to the Campaign Data tab where you can see the list of the videos you made. Click on the small inverted triangle on the side to
