

VIDEOTIK TUTORIAL- How to Connect and Push to SyVid

You can push your VideoTik campaigns into another ReelApps app, SyVid. Please note that, to integrate and push videos to SyVid you are required to have an active account on SyVid application. To integrate the app, please refer to the steps below:

1. Log in to your SyVid account, then click on **SyVid Integration**.

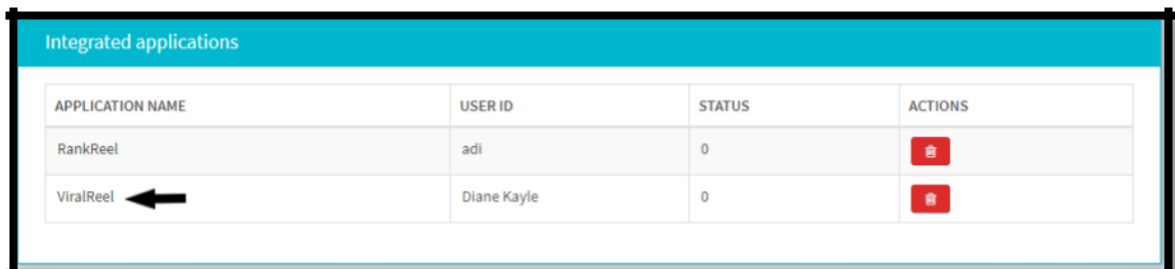

2. Click on **Add New Integration**.

3. Select the application you wish to integrate with your SyVid account. On this occasion, select **VideoTik**. Enter your VideoTik log in credentials then click **Integrate**.

Once done, you will see the app has been successfully integrated with SyVid on the Integrated Applications tab.

How to Push Video/Campaign to SyVid

1. On the dashboard, scroll down to the Campaign Data tab where you can see the list of the videos you made.
